

Union Township Board of Supervisors
Minutes/ Regular Meeting
February 6, 2024

The regular monthly meeting of the Union Township Board of Supervisors was held on February 6, 2024. Supervisors Reitz, Allred and Wright were present. Kevin Sokol, Atty. Lyons and Mr. and Mrs. Glenn McLaren were also in attendance.

Meeting was called to order at 7:00 PM followed by the pledge to the flag.

Having reviewed the minutes of the previous meeting, a motion was made by Tom Reitz, seconded by Todd Wright and carried to approve the minutes as presented.

Roadmaster Report:

Allred mentioned a tree stump that is blocking the flow of water in the ditch on Stein Lane South. The roadmaster will remove it.

Resident concerns about the last snow storm were discussed with the roadmaster.

Public Comment:

The McLaren's attended the meeting to welcome new Supervisor Wright to the Board. They also had concerns about safety on Fruit Farm Road with an increasing amount of deer crossings and requested a deer crossing sign in that area. The Board opinion is that signs do not typically make people slow down so they are not in favor of installing more, but recommended reflective markers on nearby trees instead.

The Subdivision Ordinance was again discussed. The Board agreed that there needs to be consistency between the proposed Driveway Ordinance and the updated Subdivision Ordinance and will review them both before the next meeting. A public meeting will be scheduled with the Planning Commission and the Board.

American Relief Plan Funds must be obligated by the end of 2024. This will be discussed further at the next meeting following the road tour.

A plan from UGI for the pipeline replacement project was presented. The Township Engineer will review the plans before signing off on the permit application.

The annual road tour with the Board and Roadmaster is scheduled for February 24th at 9:00 AM.

Checks 5594-5618 were presented for payment will bills totaling 11,376.21. A motion was made to void check #5610 for 480.00 and then to pay the rest of the bills as presented. Motion made by Tom Reitz, seconded by Todd Wright and carried.

Motion to adjourn the meeting at 9:00 PM was made by Tom Reitz, seconded by Todd Wright and carried.

Respectfully Submitted,
